District Superintendent's Report

Rock Hill Schools celebrated its 125th Birthday and continued its journey to achieve the district's mission of providing all students with challenging work that authentically engages them in the learning process. As a part of this journey, the district increased access to 21st century tools and resources by providing all students in grades 4-8 with a mobile computing device and a suite of digital texts and software applications. These tools and resources supported Challenge-Based Learning and the Common Core State Standards. As a result of its one-to-one initiative, the district received Discovery Education's Innovation in Education Excellence award for success in embracing technology to advance learning outcomes.

The district's staff and students continued to bring recognition to their schools and to the community. This included those who were selected as: State Middle-Level Administrator of the Year by the South Carolina Association of School Administrators; one of five finalists for State Teacher of the Year; one of 79 South Carolina Junior Scholars; recipients of Palmetto Gold and Silver Awards; one of 168 scholar-athletes by the South Carolina High School League; recipients of college scholarships totaling \$33.4 million; winners of upper-state and state high school band competitions; recipients of Outstanding Performance Awards from the South Carolina Band Directors Association; State Champion in Performance at the South Carolina Choral Festival; state football champions; state wrestling champions; state track and field champions and six individual championship winners; regional baseball champions and runner-up to the state champions; state and regional theatre performance winners; state school newspaper award winner; the South Carolina Soccer Player of the Year.

Our district will continue to hold dear our Professional Code. We will: Put Students First, Nurture Relationships, Work Together for a Shared Vision, Grow Professionally, and Continuously Find Ways to Improve.
