District Superintendent's Report

Fort Mill School District (FMSD) continued to be one of the fastest growing school districts, per capita, in the state of South Carolina during the 2013-14 school year. The district grew at a rate of 6% which equated to over 600 new students. The enrollment at year-end was approximately 11,835 students.

The primary challenge for FMSD continues to be funding the operating needs of a growing district with modest or flat annual increases in state funding. The district again was rated "Excellent" on the state report card system. The district also received a grade of A on the federal reporting system. These reports are based largely on student achievement results. Individual and student awards were too numerous to mention, but the following deserve special recognition: All schools received Palmetto Gold awards for outstanding student academic performance; over \$17,000,000 in scholarship opportunities were awarded to high school graduates; Nation Ford High School's band won the AAAA state marching band championship and traveled to Hawaii and performed in the World War II Memorial Service at Pearl Harbor. The Fort Mill High School Boys' Lacrosse Team won the state AAAA championship. The district began the building program expansions at both high schools, initiated construction of the new Riverview Elementary School, provided technological improvements, enhanced safety measures, and added turf fields at FMHS and NFHS.

Even though we face additional financial issues as we go forward, the School Board, the administration, the teachers and staff pledge to continue to provide a quality educational program to our constituents. In fact, we developed a three-year spending plan to prepare for future obligations, including the opening of two new elementary schools in 2014. We annually update the 3-year plan. Also, we have a Ten Year Facility Needs Plan which identifies when and where new schools are needed. As always, we will focus our resources at the classroom level. Thank you for your past support and the district looks forward to continuing to work with our community in ensuring that we adhere to the motto of "Children First."
