REPORT OF SUPERINTENDENT

Anderson School District Five students continue to excel on college entrance exams such as the SAT and ACT. The graduating class of 2014 earned \$27.8 million in college scholarships.

In addition, our district is a district of choice, where students can choose the magnet programs that best fit their individual needs and interests. All district schools, with the exception of the two schools of early education, are choice schools.

The district has a renewed focus on academics, arts, and athletics. Continuing to improve the graduation rate is a top priority. A commitment to ensuring that every student is college or career ready by the end of their high school career is key to ensuring success for students and for the district.

Our Board of Trustees and community members are appreciated for their continued support of our progressive programs and goal of awarding our students with the best education we can offer.

District Five Superintendent, Thomas A. Wilson
