The 2013 - 2014 School Year has been a very successful year for Georgetown County School District. We are very proud of our "Excellent" Report Card for the second consecutive year and the continued progress resulting in our 'Good' Improvement Rating.. We expanded our rigorous course offerings in all of our high schools. Students earned \$10,748,846 in scholarships for this year's senior class. Graduation rate of eighty-six point three rose again with this cohort. South Carolina End of Course Test Score increases were at their highest levels. This progress is the result of our students, parents, teachers, and community members working together to provide the best possible education for all of our students.

During the 2013 –2014 School Year, Georgetown County Schools increased our efforts to promote stronger student engagement in our classrooms. Implementing many reading/writing, 'flipped classrooms' strategies, district-wide partnership with Horry Georgetown Technical College (PACE), STEM (Science, Technology, Engineering, and Mathematics) Programs, along with our outstanding BEACH (Gifted and Talented Academic and Artistic Programs) have been just some of the innovations which have accelerated our performance.

Georgetown County School District continues to work on revisiting and revising our Technology Plan and Facilities Plans. Safety and security for all GCSD employees/students remain a high priority. You will see a number of our schools receiving modifications and updates to maximize the most current techniques in safe environments including improvement of our sign-in procedures and additional security for our facilities on their premises. Resource offices are located at each site and event. The use of instructional technology leads our efforts for ongoing professional development for our teachers to make certain that students are using these tools most effectively, thus providing us college and career ready students.

Thank you for all you do to support our schools and students. Students, teachers, parents, and community members working together help us to achieve our academic goals and provide the best educational experiences for all students in Georgetown County School District. We look forward to a great school year in 2014 - 2015.

H. Randall Dozier, Ph.D., Superintendent
