REPORT OF SUPERINTENDENT

Dear Richland Two Students, Parents, Employees and Community Members:

Thank you for an outstanding 2013-2014 school year. Our focus remains on pursuing "Four Squares" to success: Learning, Character, Community and Joy. I believe each square must overlap and intersect with the other for our school system to continue to improve. Richland Two constantly strives to design the best learning and professional development opportunities for our 27,000 students and 3,400 employees. Our efforts result in an abundance of achievements to celebrate. The Class of 2014 earned \$88.7 million in college scholarships. Richland Two ranks top in the state and 12th nationally for the number of National Board Certified teachers with 678.

Continuing our tradition of innovation, we recently broke ground on the Richland Two Institute of Innovation. At this new facility, located in the Village at Sandhill, students will immerse themselves in a professional culture, solving real-world problems while being mentored by real employers and receiving high school and possibly college credit. Our students need a program that exposes them to different career options based on their interest and prepares them to successfully enter the workforce or continue their education and training toward their career goals.

After several years of collaborative planning and a three-phased rollout of the 1TWO1 student computing project, the district completed the distribution of mobile computers to all students in grades 3-12 during the 2013-2014 school year. Now, more than 22,000 students each have a Chromebook or an iPad for enhancing their educational experience and in aiding their academic progress. To ensure the success of 1TWO1, we continue to focus on professional development and sustaining the technology infrastructure.

Along with innovation, Richland Two is known for being a growing district. Our taxpayers passed a bond referendum in November 2008 to build four elementary schools, a middle school and a high school to accommodate our increasing student population. The third new elementary school, Lake Carolina Elementary Upper, opened this past August. During these past six years, the district has grown by more than 2,400 students (PK-12).

Whether it is building an innovative school or utilizing an innovative learning strategy, Richland Two employees strive to provide a firm foundation for our students' "Becoming." We focus on learning, promoting good character, building a sense of community and finding joy, to ensure that our students become successful and capable citizens. Thank you for playing an important role in making this a reality for all students.

Sincerely,

Dr. Debbie Hamm, Superintendent
