## Report of Principal and School Improvement Council

The vision of Warrenville Elementary School has transformed, in partnership with students, teachers, parents, and the community to produce high achieving citizens. Learning from the past, collaborating in the present, and preparing for the future through shared leadership is the philosophy that drives our school. Warrenville continues to maintain high expectations for students in relation to academic performance and character. This is accomplished through maintaining a dedicated, warm, and professional and community friendly climate on a daily basis. While academic success remains our top priority, we celebrate every occasion that arises when a goal is met or a challenge is overcome by any member of our school family. As the staff of Warrenville Elementary reflects on the 2013-2014 school year, the list of accomplishments continues to grow. Our diagnostic test data shows that state test scores will continue to improve. This effort is supported through diligently tracking student data and providing interventions and after school assistance for students. Evidence of the hard work has paid off. Warrenville increased its ESEA Federal Accountability rating from a 73.8 "C" to a 91.7 "A". As a result, the school was named a South Carolina Distinguished Title I Reward School for Progress. The school was honored at the State Title I Conference. Parent and teacher communication occurred with 100% of our student population. Much of this communication occurs in person through school day or nightly events that are sponsored by the school or Parent Teacher Organization to increase family involvement and home/school relations. Parent and community input are welcomed through PTO meetings, School Improvement Council meetings, and suggestions in response to monthly newsletters. Various service learning projects were conducted to give back to the community. Our character education program continues to excel by the recognition of good citizens, level "5" students, tardy incentives, safety patrol, news team, and our Perfect "10" challenge participants. Academic achievements have been celebrated by 100% of the student population attending quarterly awards assemblies. These are also attended by our faculty, staff, parents, and community members. Our community has a sense of shared accountability in the outcome of the future of our young children. This is evident through the establishment of partnerships with: local law enforcement, local fire department, local churches, numerous businesses and restaurants, community mentors, volunteer grandparents, and the local high school. We sincerely express our gratitude for the time, effort and sacrifices made by these key players to help us meet the diverse needs of our students. We also thank all of those members that shared in the celebration of all accomplishments of all of our students. The joy brought by reflecting on a wonderful year of hard work and celebration will continue to inspire us to work harder to ensure that all students of Warrenville Elementary reach their maximum potential.☐

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>80.9</b>
<b>Overall Grade Conversion</b>	<b>B</b>

80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**
