Report of Principal and School Improvement Council

Redcliffe Elementary School had another successful year in educating students where best practices are paramount. Redcliffe serves 774 students in Pre-K through fifth grades. Faculty, staff and administration continue to hold high expectations for students in all areas. We work together with the community, parents, staff, and students to ensure success for all.

Redcliffe took part in continuous professional development focused on the Common Core Standards and the integration of content area reading across the curriculum. We also continued to focus on improving instruction to all students through minimal one hour daily math instruction using math stations and small group instruction. Certified tutors were used to provide small group instruction to meet the needs of students in both math and reading. Title 1 funds were used to hire teachers in order to maintain small class sizes, providing professional development for teachers through conferences, workshops, and literature, as well as enhancing parent involvement.

Teachers consistently used data results from the Palmetto Assessment of State Standards, Measures of Academic Progress, Dominie, and other formative classroom assessments along with the standards to drive instruction. Using data from a variety of assessments, we identified strengths and weaknesses of individual students and made instructional decisions for student achievement in all grades.

A school based curriculum coach helps our teachers implement best practices with a balanced literacy approach to reading and writing by providing on-site professional development and coaching. Reading and math interventionists work with small groups during the school day, serving students who need extra support in reading and/or math. This model allows students to receive a full class period of instruction from homeroom teachers as well as additional support needed to close the achievement gap.

Redcliffe Elementary School, in partnership with students, parents, and community members, is dedicated to building a solid foundation while developing responsible citizens to function and successfully contribute to others in today's society. We are making steady progress toward meeting rigorous goals and we are proud of the continued growth we see in our students. We look forward to another exciting school year full of opportunities for student learning and positive experiences!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	69.3
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Redcliffe Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
