**Report of Principal and School Improvement Council**

This year the LKCS received a Palmetto Silver Award for Excellence from the SDE. Although we were created to educate students who are academically, personally and/or socially at risk; our school is attractive to parents and students searching for a smaller, nurturing, academic environment. We define our “unique approach” as taking into account each student’s background and setting individual benchmarks for their academic growth. Student enrollment is limited to ensure a smaller class size and a maximum teacher-student ratio of 1:20 for all academic classes. It has always been our goal to identify the needs of students and educate them accordingly. Because we believe each child learns in a unique way, the LKCS recognizes individual learning by incorporating visual, auditory, and psychomotor components in our daily lesson plans. Our population is small but diverse and spans from the academically gifted and talented to those with special needs.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>16.5</b>
<b>Overall Grade Conversion</b>	<b>F</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Lloyd Kennedy Charter School (LKCS) has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
X	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
