Report of Principal and School Improvement Council

North Pointe Elementary is the culmination of a building program that has encompassed 18.8 million dollars out of a bond referendum throughout Anderson School District Five. We are located on highway 81N, approximately 3 miles from the city limits of Anderson, South Carolina. Built in 2012 and occupied on August 6th, North Pointe is a two-story facility with 134,038 square feet sitting on almost 37 acres. The school houses 41 classrooms, 12 small tutorial spaces, 5 labs (2 PC, 2 iMac labs, 1 science lab), a full size auditorium, gymnasium, cafeteria and a grand Learning Commons. The school opened its doors to serve approximately 330 students primarily from two other schools within the district but also held open registration for "school choice" to any student who wished to apply.

□

Since this is the school's first year in operation, the School Improvement Council along with our PTO worked to gather information and establish a culture with rich traditions. We began each year with a school-wide picnic or family activity where we began getting to know each other. In that first year, we elected our first student government and continue those elections yearly. The student body named our school mascot-we are the Panthers. Many family friendly activities such as "Milk and Cookies with Santa", Spring Fling and various movie nights are open to family participation each month. Our staff sponsored afterschool clubs that enriched the lives of our students. We offered a running club, volleyball club, art club, Stock Market club and chorus to name a few. Plans are already underway through PTO and SIC to expand the offerings and allow a larger participation group this next year. □

□

Our community has embraced our school! Through the requests and needs of the surrounding community, the county council allotted to funds to support the PTO as they added a walking/running track to our school grounds for our children and the community at large to utilize. Each year our goal is to grow as an icon within the community. Partnerships with local business and connections to the surrounding community will be our anchor in years to come.□

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	98.9
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

North Pointe Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
