## Report of Principal and School Improvement Council

The 2013-2014 school year showed the many ways that students continue to meet the high expectations that the community has for Barnwell Primary School.

?

Through the ongoing analysis of our state testing results, classroom assessment information, running records, and quarterly benchmark data, we are able to reflect upon our instructional strategies, assessments, and programs. This analysis assures us that we are individualizing instruction as much as possible for our students and enables us to continually provide diagnostic instruction.

?

Staff development is to be a key component in our success. Our teachers have received training in various areas in order to help meet the ever-changing needs of our students. Some of these areas include Creating Assessments, Technology Integration, Writing, and many sessions devoted to Barnwell Primary's implementation of the Common Core State Standards.

?

Teachers participate in ongoing training for Balanced Literacy. We support our literacy efforts by providing class sets of books, leveled readers, and nonfiction reading materials to all of our classrooms. This enabled students to read materials that are chosen specifically for them and worked to directly target the unique talents of each student through differentiated instruction.

?

There are many wonderful things happening at Barnwell Primary School that wouldn't be possible without out faithful volunteers. They generously give of their time and talents to improve the school. This includes a wonderful mentoring program led by local community members, as well as parents helping with the school's Boxtops for Education program. Barnwell Primary School's PTO has a strong and positive impact on the school climate. President Amanda Twitty and the members of the PTO sponsored numerous special events and initiated school improvements. PTO also supported frequent activities to show appreciation for teachers, such as Duty-Free Lunch and Teacher Appreciation Month.

?

The joint effort of students, teachers, and the community is the reason for our school's success. It is our mission to empower children to achieve their fullest potential through challenging and diverse educational opportunities in a safe, student-centered environment that prepares them to be lifelong learners and active, productive members of our community.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>84.1</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Barnwell Primary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
X	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
