Report of Principal and School Improvement Council

Port Royal Elementary School’s community is made up of families with diverse backgrounds and a wide range of incomes that supports our strong military connections. The current spring 2014 population is 225 students, from Pre-Kindergarten through grade 5, with 65% qualifying for federally subsidized meals. Caucasian students comprise 46% of the student population, with 38% of African American ancestry, 11% Latino, and approximately 5% listed as multiracial/other. Port Royal Elementary School continued with the status of Title I for the 2013-2014 school year, and those additional federal funds were used to provide additional tutors in critical literacy and math areas in first and second grade, to supplement curriculum resources throughout the entire school, and to support the overall academic growth and achievement of all of our students.

□

Our faculty is becoming more proficient at meeting each student’s needs, as we continue implementing a school-wide Response to Intervention (RTI) model, which has increased responsiveness and the use of more targeted classroom interventions. We have successfully completed our 3rd year of TAP implementation, and continuing to increase our teacher and student effectiveness next year will be our focus, because as we know, teacher quality has the greatest impact of any variable in improving student achievement.

□

During this school year, our SIC has worked tirelessly to build home-school-community connections, and our hard work was evidenced by us being recognized as a Top 5 Finalist for the SC SIC Dick & Tunkey Riley Award. We have increased the amount of local and extended field studies our students participate in and are exposed to by walking within and around our community, and establishing grade level field trips to local weather stations, universities, and even an overnight stay at a SC wildlife camp. Our afterschool clubs and activities help to foster and develop an appreciation and of the love of the talents and experiences they are exposed to within the regular school day. Students can participate in running club, art clubs, robotics, and story-telling. Additional clubs and programs are planned to begin with the 2014-2015 school year.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	94.1
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Port Royal Elementary School has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
