Report of Principal and School Improvement Council

Coosa Elementary School had a very successful 2013-2014 school year. We celebrated our successes from the 2012-2013 school year, with our writing results, and worked diligently to incorporate connections across all content areas to improve our science and social studies results while maintaining high expectations in English/Language Arts and Math.☐

☐

We just completed our second full year of the leadership development initiative “The Leader in Me”, based on Dr. Stephen Covey’s book, “The 7 Habits of Highly Effective People.” The 7-Habits empower students to make good choices, plan ahead and prioritize, work well with others, and take care of themselves - body, mind, and spirit. It is modeled by the teachers and staff, embedded into the curriculum, and a ubiquitous presence throughout the day. Leadership, respect, responsibility, and integrity make up the core values of the school’s PBIS (Positive Behavior Intervention Support) initiative.

☐

The success of Coosa Elementary can be attributed to the participation, involvement, and collaborative efforts of dedicated students, parents, faculty and staff, and a community that sees the value and need for a quality education. Parent and community volunteers offer time and assistance throughout the school year. The combined efforts of our stakeholders provide an invaluable support system for our students.☐

☐

The Coosa Literacy and Math Instructional Coaches support teachers in further developing effective instructional practices through professional learning opportunities, analysis of student learning data, and acquisition of needed resources. As a faculty and staff, we continue to hold high expectations of ourselves as educators and our students. Teams meet and work tirelessly to see that each and every student receives a rigorous and fulfilling education, important life skills, and character development.☐

☐

A very active School Improvement Council and Parent Teacher Organization, along with the faculty and staff, offer feedback in our ongoing self-evaluation and yearly update of the School Renewal Plan. The strategic goals of the School Renewal Plan were updated this year and are aligned with the school district goals. The goals include precise communication of purpose and direction, needed resources and services that support continuous improvement, teacher effectiveness that promotes student learning, assessments that guide continued learning, and effective governance and leadership. ☐

☐

Coosa continues to focus on our priority of “growing great leaders who dream more, learn more, achieve more, and become more.”

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	93.3
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Coosa Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
