Report of Principal and School Improvement Council

The 2013-14 school year marked the ninth year of operation for Hilton Head Island Elementary School for the Creative Arts as an arts-focused school of choice. Creative Arts has a main campus on Hilton Head Island. The school includes another campus for its annexed, multi-age sister school for elementary students that live on Daufuskie Island. Daufuskie Island is only accessible by boat.

Under our new Superintendent, Dr. Jeffery Moss, a new district plan was written for the 2014–19 school years. On both campuses the schools are fortunate to have great parent leadership and involvement. Commitment by parents, staff and community members through the School Improvement Councils and Parent Teacher Organizations accomplished the writing of a new five-year school plan. Our new school plan will be in place with the opening of the 2014-15 school year.

Community partnerships brought recognition to the school. A national Garden Club award was received for the Creative Arts School Butterfly and Vegetable Gardens. On Daufuskie students participated in the community parade and performed at the Fire House for the community. Yoga, field trips and residencies with local artists added enrichment to the rigorous academic programs and are evidence to support the success of the school year. Success was also measured by the great opportunities in the arts, character development, citizenship and life skills.

In the fall, eleven third, fourth and fifth grade Creative Arts students were identified as receiving a perfect score on one or more sections of the 2012-13 PASS (Palmetto Assessment of State Standards) exams for students in grades three through eight. This is quite an achievement for our students and our school.

Our goals are to ensure that all students are successful academically, to close the achievement gap between subgroups in our school, to provide an arts infused approach to learning, to provide a safe learning environment, to provide good communication and to foster partnerships with our community.

A \$7,500 grant was awarded to the school in recognition for being an “Arts in the Basic Curriculum Model Site” from the South Carolina Arts Commission. Our staff continued to grow professionally making them better teachers in the classroom. Two staff members received Master’s Degrees this past year. Quality staff development on Arts Integration, the new Common Core Standards, the district’s literacy initiative and integrating technology supported staff’s personal professional growth.

We have been proud to serve as the principal, SIC and PTO chairs for the 2013-14 school year at HHIESCA and satellite Daufuskie Island Elementary School. Respectfully submitted,

Gretchen Keefner, Principal - - Debbie Meyers, Laura Leigh Miles, Kristina Roberts, SIC Co-Chairs - - Chantal Horup, Wendy Sampson and Jody Smith, PTO Co-Presidents

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	80.6
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Hilton Head Island Elementary School for the Creative Arts has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
