Report of Principal and School Improvement Council

The goal of A. C. Corcoran Elementary is to provide the best possible education for our students, academically, socially and emotionally. We are working toward this goal by implementing the Personal Mastery framework funded with the Race to the Top grant. During the first year of the grant the school has been focused on creating a culture and climate that is centered on the learner. This flexible framework creates classroom environments that engage and accelerate all students to be globally competitive.☐

☐

According to our 2013 PASS test results, A. C. Corcoran Elementary demonstrated an "Average" performance rating and a "Below Average" improvement rating. A. C. Corcoran received a "D" on our 2013 federal rating. We are working toward a yearly reduction in the total number of students scoring not met in math and reading on the state PASS test as well as increasing the number of students scoring in the exemplary category in these areas. We continue to work to provide all the additional support possible in order to improve upon these ratings. This school year with the Primary Grade Academy (PGS) and Title I funds we were able to provide an interventionist in all grades kindergarten through fifth.☐

☐

To make instructional improvements, teachers use a variety of assessment data to identify areas of strengths and weaknesses of the students they teach. Instruction is developed with a focus on remediation in areas of concern along with acceleration in areas of strength. Student progress in grades one through five is regularly monitored with the administration of the MAP test. Kindergarten and first grade students are administered Aimsweb in order to gather data and to drive instruction that best meets the identified needs. ☐

☐

Weekly teacher curriculum teams meet with the Instructional Resource teacher, assistant principal and principal. At each meeting, student progress is monitored and teachers work together sharing instructional strategies and best practices in order to provide instruction that will help students master their instructional needs. The Common Core Curriculum, the State Support Documents and instructional calendars serve as the key components for all instructional planning.☐

☐

The Positive Behavior Interventions and Supports (PBIS) system continues to be implemented at Corcoran and works very well with our personal mastery system. Teachers receive on-going training in developing and maintaining a positive learning environment. With a school-wide focus on positive behaviors and personal mastery students are being taught to take ownership of their behavior and academics.☐

☐

The entire school community is working collaboratively to ensure all of the students that attend our school are striving to meet their highest potential.☐

☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	75.3
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

A. C. Corcoran Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
