Report of Principal and School Improvement Council

Mary Ford's vision and commitment are to ensure that all of our children are provided the opportunities and tools to be successful now and in the future. Our children have great potential, and we are totally dedicated to helping each one of them reach that potential.☐

☐

The 2013-2014 school year has been one of success for Mary Ford Elementary School. The school celebrated a high number of children scoring Exemplary on the PASS 2013, and was very pleased that one of our third graders had a perfect score on PASS Math. This was a first for Mary Ford.☐

☐

We believe that it is vital for teachers, students and parents to know each child's strengths and weaknesses, so that together we can develop a plan to ensure the success of each student. We provide benchmarking throughout the year and analyze various data; Dial 4 and Gold Assessment for child development, Aims Web and Read Well for K-2, MAP and Fountas & Pinell for grades K-5. Administrators, teachers, and students revise and update goals to reflect the data provided by the assessments. As goals are met, celebrations are held, and new goals are developed and revised as needed. Teachers use the data to inform classroom instruction and to make individualized decisions about their students. Interventions and enrichment activities are provided, implemented, and monitored to ensure the success of each student.☐

☐

Because we believe that "high expectations result in exemplary performance," challenging goals are a must for all students, teachers, and administrators. Student progress is regularly discussed at weekly grade level meetings with the principal, teachers, and instructional support personnel. Parent/teacher conferences are provided to keep everyone informed of progress.☐

☐

Communities in Schools (CIS) continues to coordinate the Links to Success Program at Mary Ford. They coordinated parenting classes in financial literacy and provided other opportunities in areas of interest that were previously identified through a school-wide needs assessment. The children have developed a positive relationship with the CIS counselor and enjoy meeting with him in small group sessions. Charleston Promise Neighborhood (CPN) worked as a partner with Mary Ford and has helped to promote career development and engaging college prep activities for our students. We are fortunate that CPN provides a doctor one day per week for our students and families.☐

☐

In order to ensure a friendly and inviting school atmosphere, an "Open Door" policy is maintained by our principal. We encourage our parents to volunteer and become active participants in their children's education. We know it is essential that we all work together as we move forward ensuring the success of all of our children at Mary Ford Elementary.☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	75.5
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Mary Ford Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
