Report of Principal and School Improvement Council

As we climb the ladder to 'Excellent,' our learning community continues to work hard and contribute to our daily successes: students, teachers, staff and our partners! We make every effort to be a model school with paramount success!☺

☺

In a data driven instructional environment, the CORE Team and teachers continue to analyze student data in order to provide the most individualized instruction that greatly assists the students in making progress and accelerating their learning. We utilize research based programs such as Stars and Cars, Wilson Foundations, leveled libraries by Fountas & Pinnell, and Voyager. We were very fortunate to have a Master Reading teacher, Literacy Coach and several interventionists, including the Associate Math Teacher, to support our focus on literacy and math for our students and to maximize instruction in the classroom. This year we are proud to say that we provided our students with the most outside classroom services ever at Minnie Hughes, more offered than ever before.☺

☺

As we carry on into our third year with PBIS (Positive Behavior Intervention Systems), our students and staff cultivate a positive environment for learning, growing and thinking. Our students are 'bucket fillers,' embracing the philosophy of positive words to encourage, appreciate and build each other up. We are pleased with the success of our positive climate and its benefits in the classroom.☺

☺

Our highly dedicated and talented staff is persistent in seeking out and developing a successful Reading and Writing Workshop in each classroom, as well as incorporating meaningful daily vocabulary lessons. In order to provide the most meaningful learning to our students, the teachers have been equipped with a myriad of tools such as Text Talk, Wordly Wise, ample classroom library sets, the Lucy Calkins writing kits and extensive training on the Common Core State Standards. The professional development facilitated in the Common Core Standards is vital to its implementation and the successful growth of our students; our learning community has welcomed this challenge and has jumped into action.☺

☺

We are proud of the changes and challenges that we faced this year; our team strives to be the best in seeking out new ideas, implementing strategies new to our school and serving our students in the most effective, unique way possible to maximize achievement. Students come first at Minnie Hughes Elementary!☺

☺

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	69.2
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Minnie Hughes Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
