Report of Principal and School Improvement Council

Working at Hunley Park Elementary is a privilege! Many families in the surrounding area have asked special permission for their children to attend our fine school. This is evidenced by our large increase in student enrollment. This tells me they have confidence that our staff provides a world class education on a regular basis. We have begun implementation of a Personal Mastery system funded through the Race to the Top grant (RTT) We appreciate this reputation very much. A good reputation takes years (and great teachers, students and parents) to create. ☐

☐

In 2013, HPE earned an ESEA rating of "C" with 72.2 as our overall weighted points total. This "C" grade indicates that our performance meets the state's expectations.

☐

We owe a great deal of our success to our school-wide PBIS initiative and its effective implementation by our teachers and staff. Hunley Park remains an exemplar school.☐

☐

Our Response to Intervention program continues to benefit our students greatly. We have a low retention rate that is well below "schools like us" as stated on our 2013 state school report card.

☐

We analyze our data received from the Studer group based on students', parents', and teachers' satisfaction to plan for our next school year. We look at our strengths and our areas of growth. We will plan well to attack our areas of need. We have very high expectations.☐

☐

Thank you very much for your continued support of Hunley Park Elementary!☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	72.7
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Hunley Park Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
