Report of Principal and School Improvement Council

Lambs Elementary School is a diverse elementary school located next to Joint Base Charleston in North Charleston, SC. Lambs Elementary School is making continuous progress! This school year, we embarked upon personal mastery learning. Through this process, we reestablished our school's vision. The vision of Lambs Elementary School is to create an environment where learners set goals and work with integrity to become leaders who strive for excellence! Each classroom also created a shared vision. When you visit a classroom at Lambs Elementary that has a Shared Vision Statement, you will notice how committed and invested the students are about following it because they helped develop the statement. Our students live by this "road map" each day; they know what is expected of them, and what to expect from each other. Most importantly, students have a shared purpose for why they come to school and know they have helped set their own personal goals for the school year.☐

☐

This school year, teachers successfully implemented the Common Core Standards. They received (and will continue to receive) professional development for continued effective implementation. We are strategically providing teachers with ongoing professional development for the implementation of research-based interventions. We have multiple supports available to students and teachers.☐

☐

We have continued with the 21st Century After-School Tutoring and Primary Grades Academy Reading interventions. This year, we added supports from the South Carolina Gateways Cradles to Career grant via an instructional coach, Communities in Schools student support specialist, and a Military Family Life consultant.☐

☐

Health and wellness are continuously promoted at Lambs via our school gardens, the Fresh Fruit and Vegetables grant, and the Cooper River Bridge Run grant.☐

☐

We ended the 2013-2014 school year with great news from our teacher librarian Lucye Magill of our receipt of The Laura Bush Foundation for America's Libraries grant to update, extend, and diversify our library collection!

☐

Lambs Elementary school is committed to academic excellence. Our goal is for all of our students to continuously embark upon high quality, exciting and challenging learning opportunities. As stated by our phenomenal superintendent, "Providing all children with a high quality public education is the defining issue of our generation."

☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	74.9
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Lambs Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
