Report of Principal and School Improvement Council

Malcolm C. Hursey Elementary is pleased with the accomplishments of our students and staff this year as we build on our tradition of excellence, embrace the technological innovations available to us, and reach out to a future filled with promise. Our students have filled the 2013-2014 academic year with accomplishments in and out of the classroom. The administration, faculty, and staff are committed to continuing our tradition of providing a strong foundation for all students through Charleston County School District Vision 2016, diverse learning experiences, and special programs meeting the needs of all learners. At Hursey we offer conventional classroom instruction as well as Montessori instruction. Our traditional track runs from 4k-4th grade and our Montessori track consists of 3 year olds through 6th grade. Hursey offers authentic Montessori education to elementary and middle school students in the Charleston County public school system. Montessori education is rooted in the natural curiosity of children about life and the world around them. Underlying the Montessori curriculum is a fundamental belief that each child has an instinctive and spontaneous desire to learn and that self-motivation is the only true impulse to learning. M.C. Hursey administration, faculty, and staff continue to seek ways to challenge students in their academics. The results of the MAP assessments and AimsWeb data are continuously analyzed so that our instruction can meet the needs of our learners and foster growth in our students.☐

☐

One of the dearest aspects of M.C. Hursey is the union formed between staff and community. The commitment of families and teachers fosters an environment with mutual goals for student success. At Hursey we have established a joint venture with the Liberty Hill Improvement Council Afterschool Literacy Program, Educate 1st and Reading Partners which are all designed to work with students on a daily basis to improve reading fluency and comprehension. Our collaboration with Cummins Turbo Technologies creates meaningful science lessons through our Planet Bone Head Curriculum. In addition, we continue to expand our hands-on learning in the area of science instruction through the use of our Garden Classroom. At Hursey we have been awarded the Fresh Fruits and Vegetable Grant, The Boeing Lean Team Grant and the DHEC Wellness Grant to create and encourage a healthier lifestyle and eating habits for our students. It is through the collaborative efforts of the teachers, staff, administration, parents, and community that we are able to build a positive, nurturing learning environment that fosters high expectations for all of our students. The primary goal at Malcolm C. Hursey Elementary School is to challenge every one of our students to meet his or her greatest potential. We focus daily on helping our children cultivate a love of learning that will last a lifetime. ☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	76.8
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Malcolm C. Hursey Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
