Report of Principal and School Improvement Council

A positive climate and high expectations at Pepperhill Elementary School help us continue to improve as a school facility that upholds the idea that “Excellence is our Standard.” At Pepperhill, we use data to drive our instructional decisions. Our academic success is directly tied to our differentiation and our guided reading in our classrooms. We use the NWEA’s MAP test (Measures of Academic Progress), which is administered three times throughout the school year, to gather data on student needs, as well as AIMSWEB Assessment, and of course the SCPASS test results to address strengths and weaknesses within the classroom. With this information we group our students for very intense, small-group reading instruction. This targeted instruction fill the gaps in student learning and helps children excel. Dramatic increases in student achievement are possible when we use data to drive instruction and we differentiate for student needs.☐

☐

This year our school is embracing being part of the Race To the Top (RTT) Grant. We are moving towards a personalized mastery teaching model. We continue to use our data to differentiate instruction to focus on each student individually to meet their needs. We are teaching students on their level and pushing them to their highest potential while incorporating technology. ☐

☐

This year our school community has focused on developing a mission that we confidently stand behind, “Our mission at Pepperhill Elementary School is to create a positive learning environment with the collaboration of students, teachers, parents, and the community to prepare EVERY student for the 21st Century through personalized instruction.” Together we have a very important job to do and we take it seriously. We have continued this incredible journey to accelerate student learning and are continuing to work to improve with the continued implementation of PBIS, SSIS (Social Skills Improvement Systems), and our MTSS (Multi-Tiered Systems of Support) to strengthen our academics and behavior.☐

☐

Everyone in the Pepperhill family works together for the success of our students to diligently provide them with the best educational opportunities. We do this because we believe that our children are the future! At Pepperhill, we believe in our motto “Our staff goes above, our students go beyond!”

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	66.2
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Pepperhill Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
