Report of Principal and School Improvement Council

Angel Oak Elementary School is a Title 1 neighborhood school located on Johns Island. The 2013 PASS results revealed the school maintained its rating of “Average” report card Absolute Rating and an “Average” Growth Rating. Our mission includes a motto of “Where Diversity is Celebrated” approach to engaging students in diverse experiences from not only different cultures, but also diversity in thought and personal contributions that they bring to the classroom. We have also increased our diversity by hiring male teachers, African Americans, and armed service veterans. Students at Angel Oak follow the PBIS model for behavior in which we hold them to the standard of being “Ready to learn, Respectful to all, and Responsible for actions and words”.

☐

In May, Angel Oak was recognized by Channel 2 News as a “Cool School.” Angel Oak has also shown a commitment to the arts this year. Through the work of a Community Task Force, we were granted additional staff to become an art focused school. We have partnered with Engaging Creative Minds, Yo Art, YEA, Robert Ivy Ballet, and even housed a 5th grade strings program for students. We also received a Wellness Award from MUSC Boeing Center for Children’s Wellness for being among the top four point earners in their wellness initiative. In addition, we received a Farm to School Grant and a Fresh Fruit and Vegetable Grant to help support our weekly farmer’s market. In regards to fitness, our tennis team was district division champions in the elementary/ middle league and winner of the 2014 superintendent's youth cup for the last four years. Students participated in Jump Rope for Heart, First Tee Golf Tournament, the First lady’s Just Move Program for fitness, and student and teacher yoga. ☐

☐

During the 2014-2015 school year, teachers will continue to receive professional development in personal mastery components for Race to the Top by increasing the level of implementation of the personal mastery system such as a shared vision and mission statements at the classroom level. Teachers will also focus on lesson planning using the instructional design model by Robert Marzano. To increase collaboration among students, we have used a code of cooperation as a way to create a climate of learning and mutual respect in the classroom. We will also continue to unpack common core standards and teach students to set goals. These skills will show students to be responsible for their own learning by teaching them to set goals and tracking their progress. All these components are helping us monitor student learning and growth so we can make decisions as a staff regarding instructional practices, and academic interventions. Students will be prepared with the 21st century skills needed to move on to middle and high school and in the future college and the workforce. ☐

☐

During this past year, our staff development focused on increasing research based instructional strategies for improving student achievement based on data driven processes. Teachers trained on how to work with students of poverty, how to better engage boys in academic work as well as increasing the rigor and structure of Writer’s Workshop. Staff members attended workshops, conferences, enrolled in courses, and visited other classrooms to enhance instruction practices. At Angel Oak, we believe all students can reach their academic and personal goals.☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	70.6
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Angel Oak Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
