Report of Principal and School Improvement Council

At Blacksburg Elementary School we believe that every student is a valued individual with unique physical, social, emotional, and intellectual needs. We are committed to this belief and strive to make all students feel successful in the areas of academics, citizenship, and service. Our mission statement, "BES, in partnership with families and the community will provide an environment where all students feel safe and valued as they acquire academic and social skills that build confidence and character to carry them along a path to successful, lifelong learning" truly embraces our school's vision for our students.☐

☐

Classroom instruction included time for review and extra practice, along with enrichment opportunities that included National Junior Beta Club, Student Council, Walk and Read Program, Writer's Gala, Martin Luther King, Jr. Art Competition, Too Good for Drugs program, (Core Essentials) Character Education, Computer Lab, Science lab, Honor Choir, Singing Wildcats, Grade level Dance Teams, Robotics Team, Campo Giorno and Know(2) Participants. Teachers presented CCSS lessons to motivate and educate by providing rigorous activities that met the various learning styles of their students. Technology tools such as iPads, tablets, lap tops, active boards, document cameras, classroom sound systems, and desktop computers could be found in all classrooms and were utilized in a variety of instructional ways.☐

☐

Teachers used MAP data and ongoing classroom formative assessment to help plan lessons that ensured that students were being taught at their appropriate learning levels.☐

☐

Reading, writing, and math clinics were held during small group class time and in an after school tutoring setting to ensure that students gained success in their areas of concern.☐

☐

Volunteer participation continued to help BES rise to meet challenges by assisting our classroom teachers through mentoring at-risk students, preparing papers for the day, gathering needed materials, chaperoning field trips, and monitoring during instruction and PASS testing.☐

☐

Staff members participated in various learning opportunities throughout the year to help better prepare them for the ever-changing needs of their students. A focus on special needs, RIT, autism, behavior disorders, Common Core, differentiation, new curriculum, DOK questioning, and rigor was followed throughout the year. Several staff members served on the School Improvement Council and assisted in the analyzing, development, and implementation of the current school-wide improvement plan.☐

☐

Students again showed their compassion for helping others. Monies and food items were raised and donated to Relay for Life, Jump Rope for Heart, Iron City Ministries, and Cherokee County Humane Society.☐

☐

The Blacksburg community, parents, staff, and especially the students made the 2013-2014 school year a great one that provided lifelong memories. Thank you to all those who helped to make this possible!☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	81.3
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Blacksburg Elementary has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
