Report of Principal and School Improvement Council

Pageland Elementary School provided an engaging, and challenging curriculum that encouraged our students to high achievement. Our faculty utilized MAP data as well as class assessments to effectively plan instruction. As a result, teachers planned small group instruction to address specific areas of need. Throughout the year our faculty, staff and administration attended professional development data meetings in order to plan enrichment and interventions. Reading and math interventionists provided focused instruction for our struggling learners and an after school enrichment program was offered to meet the needs of our bubble students.

During the school year teachers invited guests to discuss various topics students were studying in their classrooms. Utilizing speakers from our community enriched our instruction.

The school’s professional development plan was revised to meet the needs of the literacy and math teachers. Common planning schedules allowed the teams to meet weekly to collaborate, research and plan effective instruction. Teachers attended workshops within the district in order to keep abreast of the latest research and shared this information with our faculty. Two of our teachers were selected to participate in the summer Science PLUS Institute. All teachers at Pageland Elementary School are highly qualified and nineteen faculty members have advanced degrees. This year we were fortunate to use our Title 1 funds to increase our number of books in the library as well as in the classrooms.

School initiatives at Pageland Elementary School included our PASS Celebration, Red Ribbon Week, Veteran’s Day Program, Career Day academic achievement recognitions, end of the year academic banquet, character education programs, good behavior events, science fair, community read-in, and our Hispanic dance program.

Our faculty planned Parent Academies throughout the school year and focused on reading and math strategies.

As service projects the students and staff contributed to area charities such as the March of Dimes, American Cancer Society and the United Way. We also continued our recycling project that was managed by our special needs classes. The SIC, community /parent volunteers and police department continued to play a vital role at our school as evidenced by the fact that we have had the most volunteer hours for our district five out of the last nine years. These efforts show that community collaboration is imperative to school success.

The mission of Pageland Elementary School, in partnership with our community, is to provide a safe, nurturing learning environment. As a Title 1 school, our faculty, staff and parents insist on high standards for all students. Our highly motivated staff is dedicated and determined to provide an education that will provide our students with the knowledge and skills to become responsible, self-disciplined citizens.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	80.9
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Pageland Elementary School has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
