Report of Principal and School Improvement Council

Brockington Elementary Magnet School for Science and Technology strives as a school community to improve each year. Through collaboration and hard work, our collective community meets success. Through our efforts, we strive to fulfill our mission to “Build Educated Minds Successfully for Students and Teachers!” Since the implementation of the SC PASS in 2009, Brockington has consistently made incremental growth maintaining an Average Absolute Growth Rating. Fortunately, in 2012, BES made the leap to achieve an Absolute Rating of Good and maintained the “Good” Absolute Rating for 2013. Out of 133 SC schools that are comparable to Brockington, our school is one of only 42 that has achieved at this distinguished level. In July 2012, the South Carolina Department of Education was granted a waiver from several requirements of the Elementary and Secondary Education Act. Brockington earned an overall score of 88.5 which is a grade of B for 2013. ☒

☒

We are proud to say that we have consistently been about the business of education here at Brockington. For the 2013-2014 school year we continued participation in the State Department of Education’s Literacy Matters Initiative which provided classroom support and professional development for teachers. Through this same initiative students received seven books for summer reading to add to their personal libraries. These books were comprised of mostly non-fiction texts. Additionally we received \$10,000 to purchase additional E-Book titles, classroom library books and novel sets.☒

☒

Brockington students who needed additional support in Math and English Language Arts were able to participate in small group sessions provided by our interventionist. These interventionists, funded by Title I, provided focused assistance in areas of weakness for Math and ELA. Brockington is currently using Measures of Academic Progress (MAP), Fast ForWord, Success Maker, ALEKS Math, and district benchmark data to track growth and guide instruction. Most importantly students participate daily in high quality instruction to help each student make gains. This was evident by the exciting and innovative strategies seen with our I-pad labs and classroom activities combined with the rigor of Common Core State Standards. Additionally Brockington launched a robotics initiative to make sure that our students have been exposed appropriately to STEM careers.☒

☒

Brockington is poised to move forward and we are excited about our opportunities to grow.☒

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	82.6
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Brockington Elementary Magnet School has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
