## Report of Principal and School Improvement Council

Our ultimate goal at Spaulding Elementary continues to be to achieve academic success for all students. In doing so, we have continued to focus on specific goals such as increasing student achievement by having high expectations, using effective practices in teaching and learning, and committing to on-going applied professional development.☐

☐

As a SC TAP school, we have embraced those practices that will further enhance teaching and learning for both students and teachers. Our teachers have been able to build their capacity through on-going applied professional development, advanced degrees, and studies. As a result of using best practices such as differentiated instruction, teachers are able to better understand and meet the diverse needs of our students. Additionally, in using and analyzing assessment data, we are able to make instructional decisions that further support student learning and growth. ☐

☐

Our school motto, "Achieving Excellence through Teamwork," continues to guide our decision-making process and supports our efforts in creating a school culture and climate that embrace a shared vision and encourage positive relationships among teachers, parents, and community. Our students continue to be involved in service learning projects as students participate in Jump Rope for Heart, Pennies for Patients, St. Jude Children Research Hospital Foundation, Good Samaritan Food drive, etc. Our school team works collaboratively in developing and reaching goals to further support student success. We know that our successes are dependent upon the partnership between the school, home, and community. Therefore, various school/community activities are hosted throughout the year to promote awareness and support of school goals and collaboration for attaining the established goals. We are very appreciative of the efforts of our PTA and SIC in supporting special activities for students and parents along with additional avenues for stakeholders to be actively involved in our school. Parents and community members are able to collaborate and participate in events such as Family Reading Night, Community Partner's Breakfast, Father & Daughter and Mother & Son Banquet, student/parent workshops, Grandparent's Day, etc. Working with parents and community, we are dedicated to developing the whole child.☐

☐

As a collaborative team, we will continue to work diligently in providing excellence in teaching and learning for all.☐

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>86.8</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

SPAULDING ELEMENTARY has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
