**Report of Principal and School Improvement Council**

"At Fort Dorchester Elementary our mission statement, "Fort Dorchester Elementary School is committed to guiding and challenging each student to succeed in life," drives our curriculum decisions to meet the needs of our students. To insure the success of our students, we intertwined "TAILS" (Teamwork, Achievement, Integrity, Leadership, and Service) in all learning experiences provided to our students. We ended our eleventh year serving the instructional needs of 1,200 four-year-old through fifth-grade students. Our 112 member faculty and staff work together to create a friendly, family atmosphere for our students and parents.

Fort Dorchester Elementary has strong parent and community support. The outstanding PTA, School Improvement Council and business partners continue to add much to enhance the school's educational programs and environment. Input from these groups allows us to analyze data and look at programs that will provide the best learning environment for our students. Some highlights of our school year, based on support from these groups, include several family night events: Technology Night, a musical performance, a school carnival, Positive Behavior Intervention awards, and student awards programs. During the 2013-2014 school year, FDES achieved Palmetto Gold status for overall student achievement and for Closing the Achievement Gap of sub-groups for the fourth consecutive year. As a Palmetto's Finest school, our students, staff, parents, and community continue to work together to ensure Fort Dorchester Elementary School remains one of the best schools in South Carolina.

While test scores for the school continue to improve, dealing with the transient and growing population of the FDES attendance area and meeting the academic needs of each sub-group of students are Fort Dorchester Elementary's most challenging areas. To meet these challenges, we employ our content interventionists, a facilitator and a full-time Instructional Technology teacher specialist. The entire faculty focused on differentiating instruction, implementation of more rigorous learning standards, and writing instruction to meet the needs of all students. We are committed to meeting the needs of every student by offering differentiated instruction in order to serve each child on their academic level. In addition, we provide staff development for teachers in all academic areas. We will continue to focus on welcoming and assessing the needs of new students as quickly as possible so that we can provide for areas of need.

This past school year, we have worked toward meeting the needs of each individual child. Data collection through the use of universal screeners helps to determine fluid groups for differentiation in all subject areas. Benchmark tests are used to determine overall and individual student needs. Our plans for the 2014-2015 school year will include staff development revolving around more rigorous learning standards, which will be fully implemented in all grade levels. We will also focus on the district RTI (Response to Intervention) model in an effort to meet the needs of all of our students. This has been a very successful year at Fort Dorchester Elementary School.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>96.1</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Fort Dorchester Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
