Report of Principal and School Improvement Council

What a wonderful year of celebrations we have had at Kensington Elementary School. Our students and staff have garnered many accolades throughout the school year. The Fifth Grade Academic Team won first place in the annual Academic Fair and the Third and Fourth Grade Team came in second place overall. Our students that participated in the Technology Fair returned with high honors in several categories. Several students won ribbons in the annual Superintendent’s Art Awards Show with Alex Pelham winning the Joseph Hayes Award. . For the third consecutive year, the Kensington staff won the Summer Fitness Challenge sponsored by the YMCA Mrs. Jamie Thompkins, assistant principal, was featured in the Palmetto Administrator. Ms. Anne Holmes was selected as Teacher of the Year and Mr. Thomas Small, building manager, was a finalist for District Support Staff of the Year. Mr. Cohens, principal, was selected as one of the five finalists for District Administrator of the Year. ☐

Our overarching theme for this year focused on the CORE (Communication, Opportunities, Relationships, and Engagement)! With the transition to new standards and learning expectations, we strived daily to move every student to higher levels of learning. Through CORE activities and strategies, we continually monitored each child, set and charted goals, and celebrated individual, class, and school successes. Our students experienced differentiated instruction in classroom workstations across curriculum areas and through extended learning experiences. We hosted our first annual Leaders as Readers and our First Annual Science Day which brought community members to the school to share in our vision and help fulfill our mission. Additionally, we provided our stakeholders with vital school information through our interactive website (school and classroom), school and classroom newsletters, and being visible in community events and activities. ☐

As we continue to move our students forward, by maintaining high expectations and integrating content areas, our staff will continue to develop and implement strategies to meet the needs of each learner. At Kensington, we believe that all students can reach their personal best and we celebrate each student’s diversity and success.

Fedrick Cohens, Principal ☐ Amanda Scogin, SIC Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	83.2
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Kensington Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
