**Report of Principal and School Improvement Council**

I would like to express my heartfelt congratulations to Plantersville Elementary School. The school made several accomplishments in 2013-2014 including achieving Adequate Yearly Progress (AYP). Plantersville Elementary School was named a Palmetto Silver Award Recipient and an A school for academic achievement. The collaborative efforts of our teachers and community stakeholders have been instrumental in accomplishing these milestones.

Our students demonstrated improvement in Palmetto Assessment of State Standards and Measure of Academic Progress test scores in English Language Arts and Math with the assistance of programs such as: The Early Morning Interventions in English Language Arts and Mathematics. Students receive tutorial and additional Success Maker Computer Lab Assistance.

The Plantersville Elementary School RAMS Store which is an incentive program which promotes positive behavior through our Positive Behavior Intervention System (PBIS). In addition to the in school programs, several of the Outreach Entities have proven to be valuable resources for our students. Together we work in concert with local churches, businesses and various organizations that volunteer in the school and contribute financially. We will continue to support our children by working together in unity.

Sincerely,

Melonie Green

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>76.5</b>
<b>Overall Grade Conversion</b>	<b>C</b>

70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
