Report of Principal and School Improvement Council

The mission of Waccamaw Intermediate School is to provide a nurturing and safe environment full of diverse learning experiences that enable all students to become caring and productive lifelong learners in a global and technological society. It is this approach that makes Waccamaw Intermediate such an inviting, warm, safe, and child centered school. ☐

☐

We are a school that has high expectations for every child. Teachers engage students in learning by following the state’s curriculum for all areas of instruction. We use the self-contained classroom approach to teach our students. Teachers have the flexibility to teach units of study across the various content areas. Reading, writing, and research through a balanced literacy approach has been enhanced by the High Progress Literacy Classroom initiative. Emphasis has been placed on science and technology. Science is taught using a hands-on approach as students are provided opportunities to conduct lab experiments in our state of the art science lab. Daily instruction is infused with current technology such as mobile IPAD labs, mobile laptop labs, Promethean software, Active Response devices and many other instructional technology resources. ☐

☐

In addition to our academics, students find success through engagement in the areas of the performing arts and extracurricular activities such as Band, Steel Drum Band, Chorus, Art Enrichment, Wrestling, First Tee Golf, First Lego League Team and drama performances.☐

☐

Our parents are amazing supporters at Waccamaw Intermediate. Through our outstanding PTO, our parents and community members have provided an overwhelming amount of support through their time, talents, and gifts. Waccamaw Intermediate believes that we must all work together for our students to be successful. ☐

☐

We believe that best practices on behalf of teachers, students, parents, administrators and community are evidenced by our awards based on student success and state assessments. We are most proud of our school’s recognition as recipients of the Palmetto Gold Award for academic achievement and closing the achievement gap. Working together for students’ success makes the difference. ☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	93.9
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Waccamaw Intermediate School has been designated as a:

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
