Report of Principal and School Improvement Council

The 2013-2014 school year has been exciting and successful. The focus continues to be implementing the "Malcolm Baldrige Model" for continuous improvement, becoming a data driven school, improving student achievement, and creating professional learning communities. Under the Baldrige Model, students develop academic and personal goals for each nine weeks using fall assessments. After goals are set, action plans are written under the guidance of an adult mentor: principal, counselor, teacher, or parent. The students track their progress in a data notebook. The initiative for our school was continued implementation of the Response to Intervention Model school- wide. Teachers were trained to implement researched based reading intervention programs, (Soar, Early Success, LLI, Early Reading Intervention) to improve student achievement in reading at all grade levels. Teachers also implemented math intervention using SRA Number Worlds. Students were monitored using 11 and 15 day probes. ☐

Teachers met with the leadership team to discuss student progress and to make decisions regarding next steps for students. Quarterly evaluations were completed by the collaborative teams to assure that all students were being challenged. Students attended the computer lab weekly to participate in a program entitled Compass Learning that addressed their needs from MAP Test results. An additional program used as intervention for some students is Fast ForWord. Other opportunities were provided through Supplemental Educational Services for after school tutorial programs for grades 3-5 through Communities and Schools. For the third summer, SCE will provide rising 5K students a learning experience through First Steps. A reading summer camp will be provided for students reading below grade level and a primary summer school for students in ELA and Math. This April, to showcase student learning students led their student walks through the building. It was a huge success! The major barrier continues to be our transient student population. Our faculty and staff continue to create a positive and stable learning environment. The school's previous awards are the "Red Carpet Award" for a welcoming atmosphere and the "Exemplary Writing Award". The school also won the "Strong Communities and School Award" for continued service learning projects and community programs such as "Building Dreams" and "Chat with a Family Advocate". This year SCE won the Safe Kids Award for providing a safe environment for all students and their parents by providing training in school safety. ☐

This year, SCE received over \$14,000 in grants from Donor's Choose and Public Education Partners for reading. Additional funds provided by Michelin Corp were for 2,000 of professional staff training and for the purchase of the Lego Unit. We continue as a Title One School which provides additional instructional assistance to children in reading and math, reduced class size in grades two, three, and four, and two reading teachers. In order to improve science scores, instruction was provided in the lab setting. We continue to experience a sense of accomplishment because our students make continuous gains each year. This year's absolute score was rated "average". We were awarded an ESEA Grade of B.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	77
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Sue Cleveland Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
