Report of Principal and School Improvement Council

The mission of Plain Elementary School is to prepare students to become lifelong learners and responsible, productive citizens. All children engage in a rigorous, Common Core Standards based instructional program in a climate that fosters tolerance and diversity. Our many accomplishments this year reflect our school's identity and vision statement: "A School Family – Positively Committed to Excellence!"

☐

Students and teachers set individual academic achievement goals in reading and math as we continued implementation of the Baldrige model, a data driven process for student growth and continuous improvement. All teachers received intensive training for the implementation of Common Core Standards. School-wide data analysis reflects solid growth in all academic areas. Grade level teachers continued to work collaboratively to create common assessments and analyzed their results for the purpose of increased student achievement. A morning enrichment program was available to provide support for students struggling in the areas of math and reading. Our PTA and school community conducted a school-wide Boosterthon to raise money for playground enhancements and technology support. We were recognized with a Safe School Award by Upstate Safe Kids. We developed a School-Community Plan to broaden support in order to enhance communications through the use of weekly phone messages to all families from the school administrators, up-dated school and teacher web-sites, weekly progress reports to parents, weekly up-dates sent electronically to parents, articles in the local newspaper, and publication of a monthly school newsletter. In conjunction with our SIC, a survey was sent to all parents requesting feedback related to continuous growth. We continued to integrate technology by ensuring that all classrooms were equipped with Promethean boards to actively engage children in learning. All computers were maintained and include up-dated software.☐

☐

Parental and community involvement is integral to our success. The Parent Teacher Association and School Improvement Council are involved in decision making opportunities. Over 50,000 volunteer hours were logged this year with parents and community members serving as mentors, tutors, guest speakers, and classroom support resources. TreesGreenville has awarded us with a grant for the past three years and provided us with a variety of trees that were planted on our campus. We also maintained our Organic Garden which permitted students to plant, harvest, and eat fresh vegetables. ☐

☐

We are proud of our accomplishments and will continue to make decisions that are in the best interests of all children. Our identify statement speaks for itself: "A School Family – Positively Committed to Excellence!"

☐

Debbie Mihalic, Principal Steve Huskins, SIC Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	96.3
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Plain Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
