Report of Principal and School Improvement Council

In compliance with the Education Improvement Act of 1984, the Annual Report is written and reported each year to keep parents and community members informed regarding the progress the school is making in meeting school and district goals and objectives. This report was developed by our School Improvement Council (SIC), which consists of administration, teachers, parents and community business representatives. The SIC works closely with the principal in examining the school's annual standardized testing data and setting goals that focus on specific areas of strength and weakness. Teacher, parent and student survey data is also examined by the SIC to determine internal and external perceptions regarding the overall school operations. Utilizing this information, a plan for improvement is established and published each year. ☐

☐

As a result of this improvement plan, Crestview students continue making steady gains on the state-wide Palmetto Assessment of State Standards (PASS) given annually to students in grades 3-8. With these steady gains, Crestview was honored with the Palmetto Silver Award for Closing the Achievement Gap in one or more of our subgroups. These awards are given annually by the South Carolina State Department of Education. ☐

☐

We contribute much of our success to several long term initiatives which include a focus on student data, teacher collaboration, a student mentoring program and professional development that fosters academic improvement for all students. It also can be attributed to the outstanding faculty and staff that work tirelessly to ensure that all of our students increase their academic ability in all subjects. Crestview continues to maintain a highly qualified and skilled staff whose main objective is the academic success of our students. ☐

☐

Crestview's SIC continues supporting the school in many ways outside of just academics. This year we continued our Back Pack Buddies program to assist families with meals on weekends. Our PTA once again partnered with the SIC to raise funds to continue this program into the summer months. We once again partnered with the United Way's Hands on Greenville project for a school beautification project. As we move into the 2014-15 school year we will look for more ways to improve the overall climate of the school. ☐

☐

In closing, we would like to say thank you to parents, teachers, community members, business partners and volunteers who work each and every day to ensure the success of our number one priority; our children. WE ARE CRESTVIEW: Community Pride, Academic Excellence.☐

☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	94.4
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Crestview Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
