Report of Principal and School Improvement Council

Fountain Inn Elementary has established itself as a Professional Learning Community where teachers are committed to a collaborative process for teaching and planning. Students are empowered to succeed through a process of teach, re-teach, and re-do so that their success can be accurately measured. Our staff is engaged in on-going staff development for increasing their level of effectiveness in the classroom. Staff is participating in workshops pertaining to the Common Core as Fountain and Pinnell in preparation for a full implementation of the Common Core standards. Collaborative planning and the use of common assessments are in place across all grade levels and curriculum areas. ¶

¶

Our students continue to excel academically across all areas. Monthly reviews of student data and test scores shows our students performing above our expectation of at least 80% mastery in all areas. Data analysis assists our teachers in developing rigorous lessons that will support our high expectations for student growth.¶

¶

Our students are positively impacting our community. Opportunities such as the National Junior BETA Club offer our students the ability to serve others inside and outside of our school. We maintain ourselves as a PBIS school, along with our strong guidance department we are building students of character with high academic standards. ¶

¶

For the fifth year in a row, Fountain Inn Elementary was awarded the Palmetto Silver award for increased student achievement. Our school has also been recognized with the SC Safe Routes to School award as well as the South Carolina Safe Kids School award. All of our stakeholders have an investment in our success. With a continued focus on strong collaborative planning and excellence within the classroom, together teachers, students, and the community as a whole will continue to exceed our levels of expectation for excellence in the 21st century.¶

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	86
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Fountain Inn Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
