Report of Principal and School Improvement Council

The Mitchell Road Elementary faculty, staff, and community developed a comprehensive strategic plan outlining the goals, objectives, and strategies for our school. The goals focus on academic achievement, parent involvement, and a supportive educational environment. The goals address the specific school needs and are aligned to the district's Education Plan. The School Improvement Council along with school personnel regularly review the progress made in achieving these goals. ¶

¶

Mitchell Road Elementary is an award winning school. Thirteen teachers have received National Board Certification and several more are in the process of seeking certification. Mitchell Road recently received a Good Absolute report card rating and was identified as a 2014 Healthy School. Positive Behavior Interventions and Supports (PBIS) and Fountas and Pinnell balanced literacy model are just some of the best practices that have been implemented school-wide. We attribute our continuous improvement to our committed leadership, faculty, students and parents. ¶

¶

Our PTA actively supports our school through fundraising and volunteer hours. Parents have many opportunities to be involved in their child's education. The active involvement of the school's PTA helps provide programs that benefit all children. Opportunities include tutoring, volunteering in classrooms or the office, serving on committees, landscaping, chaperoning field trips, etc. We recognize the importance of parent involvement in our school and the impact that it can have on student success. ¶

¶

Teachers and staff work together to meet the needs of each student. Every child has the opportunity to achieve success related not only to academics, but also in areas such as music, art, and physical education. All students are encouraged to do their best at all times! We enjoy celebrating the successes attained by each child. ¶

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	96.1
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Mitchell Road Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
