Report of Principal and School Improvement Council

Taylors Elementary School is community school nestled within several neighborhoods of Taylors, SC. Taylors Elementary serves 779 students in kindergarten through 5th grade. The school mission statement of "Excellence in Achievement, Actions and Attitudes" has been created by stakeholders and truly defines our daily mission. We believe in providing high quality teaching and a challenging curriculum where all students can be successful. We believe in promoting positive behaviors and good citizenship through our Life Skills recognition program. We believe in being a "Green School" and teaching students to use resources wisely. We believe in building support for the school through positive and meaningful relationships with all stakeholders.

□

Taylors is proud to be a successful school, focused on student achievement and student character. Last year, the school received a "B" rating on the ESEA grading scale which was above the state expectation. Although the marks were above average, the staff knows that we need to continually work collaboratively to meet every student's needs and improve school results. Through the use of district planning guides, professional development and a focus on literacy, we hope to continue to perform at high levels academically. Inclusion and partner teaching as well as intervention lessons help support struggling students. Goals are measured regularly to monitor student growth and performance. Teachers closely monitor student growth and adjust teaching strategies to meet every student's need.

□

Taylors Elementary focuses on Life Skills to help prepare students to become good citizens. Students are given opportunities to be leaders in the school through programs such as Chorus, BETA, Student Council, Safety Patrol, Book Buddies, Green Team and News Announcers. The school has been recognized as a "Green Step School" due to the successful implementation of the recycling program and environmental awareness throughout the school. The school has also been recognized as a top donor for charitable organizations such as March of Dimes. Students participate in monthly food drives, Pennies for Patients, and Jump Rope for Heart to help those in need. The students work hard to collect multiple items for charity such as food, clothing, books and can tops for The Ronald McDonald House. The staff and community feel it is important to develop strong citizenship and compassion in our students each and every day.

□

Looking towards the future, it is always our goal to work together as a team with students, families, staff, faculty and the community to prepare our students to become successful members of our society. It is with this goal in mind that we continue to strive each day to meet the needs of the whole child, academically, physically and emotionally, and to make a difference in each child's life.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	91.3
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Taylors Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
