Report of Principal and School Improvement Council

Heritage Elementary School is located at the foot of the Blue Ridge Mountains in beautiful Travelers Rest, South Carolina. Heritage is a hometown school in which students, staff, parents, and community members are all integral participants in making a difference in the world. Through an active PTA and SIC, parents and community members partner with educators to insure we are adequately preparing our students for the world around them.

?

We are an International Baccalaureate (IB) School, offering students in grades K3-5 the Primary Years Programme (PYP). This program engages the students in the learning process through inquiry based instruction, integrated units of study and a project-based approach. IB-PYP students maintain IB student portfolios, in which they keep work year to year and conference with their parents about their progress. Every student receives weekly Spanish instruction, with students in grades 3-5 receiving language instruction daily. Through this rigorous international program of education, our students are living our motto, "Hometown School—World Class Education".

?

Student achievement data from 2013 showed the need for continued improvement in each area. Teachers met in Professional Learning Communities as well as on Vertical Teams to plan new strategies for their students' continued growth. All teachers were trained in the Fountas and Pinnell guided reading instructional model. A leveled literacy library was purchased, allowing students exposure to new books each day during reading instruction. Students were reading and writing more than ever before, utilizing a new abundance of resources. Teachers and students engaged in studying content area vocabulary and conceptual learning, broadening their knowledge of science, math, and social studies. At risk students were served in a variety of ways, through the SIC sponsored Early Risers club, tutoring students 2 mornings and 1 afternoon each week. Special Education students were served using the inclusion model, increasing their exposure to grade level content each day. Mentors were chosen and provided for students who just needed an extra adult to check in with them each week.

?

Heritage continued to grow in its implementation of student technology in the classroom. All classrooms now have state of the art Promethean boards. This year, each classroom was provided with an iPad mini, allowing students further access each day to instructional technology to enhance their learning journeys. Through opportunities such as Mystery Skype, Where in the World is T.R. Pioneer, virtual field trips, and engineering club, students at Heritage realized that the world around them isn't so small after all, and they could reach out and touch it using instructional technology.

?

Heritage Elementary continues to look for effective ways to provide our students with a world-class education.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	87
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Heritage Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
