Report of Principal and School Improvement Council

We continue to make gains at Cherrydale Elementary School. The preliminary results of the 2013-14 SC PASS shows growth among our students in the accountability grades as we move more students into the Met and Exemplary status of this accountability measure. While we still have strides to make, it should be noted that Cherrydale Elementary School earned a grade of "A" on the state's new accountability rating for schools. Cherrydale also earned a growth rating of "Excellent" on the 2012-13 state's school report card and received Gold and Silver Palmetto Awards for student achievement. The Gold Award and the "Excellent" growth rating on the state's school report card were firsts in the school's history. In 2011-12, the school earned two silver Palmetto Awards. These, too, were firsts in the school's history. Cherrydale continues to be a school to positively watch in 2014-15, as we prepare for implementation of the standards in South Carolina and continue to provide great learning opportunities for our students. Again, this year, the school also earned another star rating for energy conservation and was nationally certified as a Duke Energy Star rated school. Character Education continues to be a focus embedded into Cherrydale's total curriculum and helps to promote a school environment centered on great instruction and student learning. At Cherrydale, we believe, that all children are empowered to believe in themselves and achieve. At Cherrydale, we believe, that "every day brings a new success!"

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	88.7
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Priority School - one of the 5% lowest performing Title I schools.
