Report of Principal and School Improvement Council

Ware Shoals Primary continues to provide a rigorous curriculum and places priority in character development. Although we are proud of the many successes we have accomplished, we continue to refine our instructional practices to ensure students are provided with optimal learning opportunities.

?

This year we have focused on intervention strategies which teachers have incorporated into their classroom lessons. Grade level teachers continually refine benchmark evaluations which are administered at the end of each nine weeks. These benchmarks ensure all Common Core State Standards are emphasized and, as a result, provide a consistency across each grade level. ?

?

Character education also plays an integral part of our curriculum. We embrace the PBIS model of reinforcing and celebrating positive behavior as we understand it to be an integral part of our students' success outside the classroom.

?

We are truly fortunate to have the continuing support from students, parents, and our community which allows us to push towards our district vision of "Learning, Serving, and Leading".

?

Dr. Daniel Crockett, Principal?

Mrs. Shawn Davenport, SIC Chairman

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	91.5
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Ware Shoals Primary School has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
