Report of Principal and School Improvement Council

Kingston Elementary is a community based rural school serving approximately 640 students, Child Development through fifth grade. This mission of Kingston Elementary is to provide a personalized college and career ready curriculum so that all students are prepared to reach their full potential as responsible and productive citizens.

□

The 2013- 2014 school year proved to be rewarding. Effective instruction and student achievement is paramount. Students in grades K-5 received daily, specially planned instruction on their level in English Language Arts and Math. Teachers met weekly to plan and discuss ideas to enhance instruction in the classroom. Measures of Academic Progress (MAP), DIBELS Next, Passport, and BURST provided us with valuable data to better analyze students' strengths and weaknesses. Kingston Elementary was the recipient of Title 1 funds and a \$25,000 technology grant which made technology more accessible to students. Staff participated in professional development sessions to include: implementation of Common Core, Everyday Math, Imagine It!, Language!, Passport, and BURST. Three staff members are working towards Black Belt Certification to become more knowledgeable in all components of the Common Core Standards. Several teachers are pursuing Master's degrees.

□

The staff and school community share the mission to provide all children opportunities to excel in academics and develop positive social behaviors. Students and staff were involved in the community through HTC Recycling, March of Dimes, United Way, Salvation Army Canned Food Drive, and Jump Rope for Heart. Students were also involved in activities outside of the school day such as Art Club, Chorus, Robotics, Technology Fair, and Pre-algebra On-line. Students participated in K-Kids, a service learning club sponsored by Kiwanis. Fourth grade students received awards for recycling from the Solid Waste Authority. Students participated in a River Reads Essay Contest and won many awards. The PTO worked collaboratively with the staff to provide family activities. Family and community events were well attended. Families and community members made events such as Family Night, Grits for Grandparents, Muffins for Moms, and Doughnuts for Dads a tremendous success.

□

Kingston Elementary School is committed to reaching our goals, and we look forward to working with PTO, School Improvement Council, and parents to increase parental and community involvement. We are proud of the successes of our students and staff. Achievements of Kingston Elementary are due to the dedication of its students, school staff, parents, and community. The support of the community is appreciated in our quest to provide a quality learning experience for all students. We invite you to become an integral part of our commitment to excellence.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	89.2
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Kingston Elementary School has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
