Report of Principal and School Improvement Council

It has been another remarkable year at Loris Elementary! Recognition by the South Carolina Department of Education as a Palmetto Gold School for student performance and a Palmetto Silver School for closing the achievement gap as well as being named one of three National High Flying Schools by Georgia Southern University and The National Youth At-Risk Council affirms the quality of teaching and learning at Loris Elementary. ☐

☐

Ongoing professional development and training was provided. This training included model lessons, observations by consultants, collaboration with district learning specialists, coaching, constructive feedback, progress monitoring, and effective data analysis. Students in child development through fifth grade received systematic instruction via the Imagine It Reading and Everyday Mathematics programs. Loris Elementary students experienced exceptional growth this year on DIBELS and MAP testing. Significant gains in student achievement can be attributed to efforts to provide differentiated and individualized instruction in reading and math to every student. Intensive small group reading and math intervention was provided to students performing significantly below grade level. ☐

☐

Technology is a critical component of instruction. All students participated in Compass Odyssey, an online program that is differentiated for every student based on individual MAP results. Second grade and special education students participated in BrainWare Safari, which comprehensively develops 41 cognitive skills through online games of logic and cognitive reasoning. Students in second through fifth grades have laptops that are used throughout the instructional day for online access, research and word processing. I pads are used extensively in all grades. Students and teachers brought home 8 awards from this year's HCS Technology Fair including 1st place in the teacher category! ☐

☐

We believe that the academic success of our students is dependent upon their belief that they can be successful and that it is the job of every staff member to provide support and encouragement towards that end. Our use of positive behavior intervention supports rewards students for modeling appropriate behaviors. Students were rewarded through daily incentives, celebrations, and assemblies. We also implement a Lifeskill Leaders Program as well as partner with St. Stephens Episcopal Church and Kids Hope USA, which provide approximately 40 mentors for at-risk students. ☐

☐

We were very proud of our participation in local charities and service learning projects including the United Way, March of Dimes, American Heart Association, canned food drives and the Solid Waste Authority's Talking Trash Program. Over 350 students received weekend food supplies through the Caring for Kids Program. ☐

☐

Thank you for your continued support of Loris Elementary students, staff and programs! ☐

☐

Mark Porter, Principal ☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	93.5
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Loris Elementary School has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
