Report of Principal and School Improvement Council

Myrtle Beach Elementary School is a professional learning community that is committed to meeting the needs of each individual student as well as striving to enhance their learning experience through a rigorous and engaging curriculum. Character development is also emphasized through our Covey Leadership initiative.

Academically, Myrtle Beach Elementary strives daily to move every student to higher levels of learning. Professional Learning Communities meet regularly to use formative and summative data to set goals, monitor students' progress and celebrate successes. Students at MBE are provided with learning opportunities to meet specific needs which include: Compass Odyssey, M3, interactive technology, Morning Computer Labs, Covey Club integration, and Intervention (individualized differentiated instruction). Professional development is offered throughout the year for teachers to continue their knowledge of best teaching practices and to collaborate professionally with their peers.

Myrtle Beach Elementary implements the Leader in Me leadership model. MBE is currently the 36th school in the world to achieve "Lighthouse" status through the Covey Leadership initiative. The Leader in Me integrates principles of leadership into our school curriculum. This leadership initiative reinforces our social and emotional mission of assuring that each student becomes life-long learners and leaders. MBE has a school-wide focus on lifeskills and lifelong guidelines, guidance activities, No Tolerance for Bullying, PBIS, and Covey's 7 Habits. Civic responsibility is also fostered in our learning community through participation in Jump Rope for Heart, March of Dimes, Relay for Life, and canned food drives.

The success of any school requires support of an involved School improvement Council, active PTO, volunteers, and generous business partners. MBE is fortunate to have all of the above to help develop our school and students into responsible members of society by being life-long leaders and learners.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	88.2
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
