**Report of Principal and School Improvement Council**

Waccamaw Elementary is a school dedicated to providing opportunities that challenge students in the areas of academic, personal, physical, and social development. Evidence of accomplishing this came when the South Carolina Department of Education awarded Waccamaw Elementary the Palmetto Silver Award for general performance. Driven by the South Carolina Standards and Common Core Standards, our staff provides a rigorous curriculum in all subject areas. In order to maximize classroom instructional time, staff members take advantage of professional development conferences and trainings throughout the year. Many of our teachers participated in a year long math Common Core training provided by Coastal Carolina math staff.

Instructional programs offered to the students provide opportunities for acceleration, remediation, and enrichment. This includes Reading Recovery, intervention teachers targeting specific areas of need, and gifted/ talented program. Also, Waccamaw Elementary partners with Coastal Carolina University to provide mentor support, and one-one- instructional support from the CCU students. Our desire is to work closely with all members of the school’s community. We have accomplished this through our mentoring program with Coastal Carolina University (CCU), parent volunteers, community volunteers, and local service clubs such as the Rotary, Rotaract, and Kiwanis. The Rotary Club, in collaboration with Payless Shoes, sponsored a “Happy Feet” program which offered free shoes to many of our students . Our parent leadership team sponsored activities throughout the year such as a Staff-Parent Softball Game, Fall Fest and our CD Tea Party.

As a member of the Carolina Forest Attendance Area and the emphasis on fine arts, we were able to offer some of our students the opportunity to participate in a dance class for a semester. We also have a semester long digital arts class for students in grades K-5. With the excitement of using technology, we had eighteen projects entered in the HCS Technology Fair and won eight awards! In music, our 4th and 5th graders learned to play the keyboards and our Glee Club, which meets before school, was chosen to participate in the district-wide Wave of the Future talent showcase!

During each year, the staff strives to improve instruction and maximize on the potential of every individual student. To accomplish this, new goals have been established and innovative strategies are being implemented. We are committed to promoting a school environment conducive to learning, laughing, and growing together. This can be accomplished through the continued support and input from our parents, staff, students and community. It is also supported by being a PBIS school (Positive Behavior Intervention Support. Students are rewarded daily, weekly, monthly and yearly for their positive behavior in following our High 5s; Be Responsible, Be Respectful, Be Your Best, Be Honest and Be Safe.

Waccamaw Elementary is a great place to learn and grow. Thank you for trusting us to educate your child to be the best that he/she can be!

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>85.9</b>
