Report of Principal and School Improvement Council

South Conway Elementary School had an excellent 2013-2014 school year. In "Schools Like Us" our school was ranked 9 out of 191 schools. Each grade level participated in Service Learning projects which helped to address needs in the community. A greenhouse was purchased in order to give our students the opportunity to grow both vegetables and flowers throughout the year to support a campus beautification project. Our school received a Fresh Fruit and Vegetable grant to promote healthy eating habits. Students and teachers also participated in projects such as the American Cancer Society's Relay for Life, Red Cross Blood Drives, and the American Heart Association's Jump Rope for Heart. We were awarded a renewal of the 21st Century grant for students in grades 3-5. These students received enrichment in dance, drama, technology, hands-on science, tennis, and homework assistance. Incentives and recognition programs were continued to encourage students to do their personal best in all academic and character areas.

Early intervention continues to be the focus in our school. Interventions through an RTI model were provided for students in both reading and math based upon their academic needs. Our Reading Recovery program discontinued 23 first grade students. Teacher, student, and parent conferences were held throughout the year to discuss student achievement goals and student progress.

Our PTO sponsored successful fundraising activities to encourage parental involvement and provided extra funding for school projects such as Art in the Yard. Our Title I budget supported 3 part-time reading interventionist for grades 3-5, a Reading Recovery teacher, a Family-School Coordinator, a curriculum coach and parent workshops. Many local business partners provided incentives for our students and staff. In addition, a faith based organization partnered with our school to provide book bags and shoes for all students. We continued to partner with Coastal Carolina University to sponsor mentors for students and to provide practicum and intern opportunities for future teachers. We are fortunate to have the community support of our school.

South Conway Elementary School is proud of the successes and the progress they are making.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
