**Report of Principal and School Improvement Council**

North Myrtle Beach Elementary is a wonderful community school with a rich heritage of parental involvement and community support. More than 693 students and 85 staff members call NMBE home. Our mission is to provide a rigorous and engaging curriculum that meets the needs of each individual student. School-wide instructional initiatives for the 2013-2014 school year included professional development focused on effective Science instruction, small group intensive reading intervention for all students, reading interventions for at-risk students, Common Core implementation, the integration of literacy in the content areas, and the use of the Measures of Academic Progress (MAP) data to differentiate instruction for all students. The MAP assessments are used to identify student strengths and weaknesses. MAP provides teachers with valuable diagnostic information for each student in the areas of reading, language, and mathematics. Teachers celebrate with students when they meet or exceed their target goals on MAP.

☐

Civic, personal and social responsibilities were taught through classroom guidance lessons, service learning projects, and Lifeskill leaders. Students participated in several service learning projects during the year. We were a financial support to the American Cancer Society, the American Red Cross, and the March of Dimes. Students participated in the American Heart Association’s annual Jump Rope for Heart Campaign. Students also collected soft-drink tabs to support funding for the Ronald McDonald House, and can goods for Helping Hands.

☐

The success of any school requires the support of an active PTO, faithful volunteers, generous business partners, and involved parents. The PTO and front office staff sponsored many programs, including a Holiday Bazaar, Sweetheart Dance, and cookie dough Sales. The PTO raised more than \$24,000. Just to mention a few items, PTO collections were used to purchase a school yearbook for each student, spirit t-shirts, and an academic planner for every student. Funds were also used to support a motivational assembly for students and to provide appreciations for teachers. The PTO recognized a “Staff Member of the Week” each week and provided appreciation breakfasts and luncheons throughout the year. We were fortunate to have over 35 local business partners who provided incentives for students and staff members. Over 250 faithful volunteers devoted time in our school each week, serving as mentors and tutors, reading with students, working in the school office and media center, chaperoning study trips, assisting teachers, and working during field day events and other school-wide activities.

☐

School-wide goals for 2014-2015 will include focus on Common Core initiatives, balance literacy, school safety, and differentiated instruction for all students, and enhanced learning through the use of technology. We also look forward to restructuring into Riverside Elementary School and servicing students in child development through fifth grade.

☐

Thank you for your support of North Myrtle Beach Elementary and the future Riverside Elementary.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>83.3</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

North Myrtle Beach Intermediate School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
