Report of Principal and School Improvement Council

Academy of Hope had a wonderful 2013-2014 school year. The school received the Palmetto Gold Award from the SC State Department of Education. Angelia Robinson was named Teacher of the year. Under the direction of Waymon Edmonds and Dr. Marvin Keene Our school began its Robotics Program for students in grades 3-6. Our rookie team made it to the State Championship! Our student chorus was showcased during the annual Veterans Day Program. This was the first year of the "Meet the Neighbors" Programs. This year, the faculty and staff went out to meet each of our surrounding neighbors. We introduced ourselves and personally distributed fruit baskets as a thank you for supporting Academy of Hope and Horry County Schools.

The principal and several staff members attended the National Charter Schools Convention (Las Vegas, Nevada). With the help of faculty & staff in addition to numerous community members the school proudly opened a beautiful library with murals depicting historical Conway. Our amazing school sponsored a blood drive in conjunction with the Red Cross. During the month of February the students made & distributed special hearts for the residents of Agape Nursing Center. We also collected can goods and helped to ensure that 20+ students had an a visit from Santa. Thank you for entrusting us with your children. We appreciate your support and look forward to another wonderful year!

Respectfully Submitted

Melissa McCloud

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
