Report of Principal and School Improvement Council

The mission of Camden Elementary School of the Creative Arts is to ensure that all children are able to reach their full potential by stressing academic achievement and by providing opportunities in the creative arts and technology. Our focus continues to be preparing our children for the future, and we do this by stressing the skills needed to be successful in reading, math and writing. The school saw significant gains on the 2013 Palmetto Assessment of State Standards (PASS) test and for that achievement we were recognized with the Palmetto Silver Award for Closing the Achievement Gap and the Palmetto Gold Award for excellent results in General Performance.

Parents, students, staff and community members worked hard this year to improve both the safety and appearance of the school campus. Additional procedures were put in place for the safety and security of the staff and students. Areas of the campus with safety concerns were identified early in the school year, and they were quickly addressed by district maintenance.

The school continued with its many community service projects, and this year students and staff filled over 100 shoeboxes to send to our soldiers serving overseas. It made an impressive presentation at our Veterans Day Program. The students also had many opportunities to participate in a variety of clubs and activities. This year we added the Robotics Club, The Golf Squad and Running Club to the list. The staff also did an outstanding job of preparing students for their first Science Fair Night.

The school was awarded a significant Distinguished Arts Program Grant (DAP) this year. The grant enabled us to bring artists, musicians, authors, dancers, and actors into the school to work directly with the students. It also provided opportunities for the students to experience professional performances both in the school and community.

This has been an exceptional year, and the success of Camden Elementary has truly been a team effort! Our fantastic staff and outstanding parent support have enabled us to create a truly enjoyable learning environment. Throughout the year, we embraced the district's theme of "Don't Stop Believing!" We believe in each of our children and work hard to ensure they reach their full potential.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	85.5
Overall Grade Conversion	B

90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
