Report of Principal and School Improvement Council

Clinton Elementary School serves approximately 390 students in grades PreK through grade 5. The mission of Clinton Elementary School is to prepare students to become life-long learners in order to be successful in a challenging world. Clinton's parents, staff and community work collaboratively in the decision making process to create a positive and productive climate for students.

□

Learning, in all aspects, continues to be the major focus of Clinton Elementary as we continue our journey of becoming a successful and effective Professional Learning Community. As a Professional Learning Community the staff participated in weekly professional learning team meetings designed to assist in the development of lesson plans and interventions based on the analysis of student work. In addition to these meetings, staff members participated in study group sessions once a week outside of school hours focusing on research based best practices, including reading intervention, explicit-direct instruction, developing polished authors through Six-Traits Writing and many other instructional strategies.

□

The staff of Clinton not only works collaboratively to grow professionally, we also continue to grow teacher leaders. As part of the NetSCOPE partnership, in conjunction with Winthrop University, teachers were provided opportunities to mentor and train interns. They were also provided with a plethora of professional development opportunities in different content areas. In addition to being a partner school with Winthrop University, Clinton also works closely with South Carolina Gateway Project: From Cradle to Career which provides scientific- or evidence-based professional development and training through virtual learning, state-level trainings, and graduate coursework.

□

Clinton Elementary strives to increase student achievement by promoting a collaborative learning environment. With strong support of parents, community involvement, and a dedicated staff, Clinton Elementary continues to serve students ensuring success for each individual child.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	20.5
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Clinton Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
X	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
