Report of Principal and School Improvement Council

McDonald Green Elementary, a rural community school, is truly a place where children grow and learn in a safe, nurturing environment that is guided and supported by caring and talented staff members. McDonald Green Elementary collaborates with all stakeholders to ensure student successes. Certified staff members of McDonald Green were recipients of J. Marion Sims Foundation and/or Partners For Youth grants. Our school continues to make educational gains on PASS and MAP and we contribute our successes to our teachers laying great foundations for our students and building upon the solid foundation in place in order to encourage students to continue to strive for academic excellence. This collaboration helps ensure that all children are successful.☐

☐

At McDonald Green, we understand the importance of technology in the classroom. We have Smart Boards in all classrooms to enhance learning. In addition, we have a portable iPad classroom in which the iPads are used during small group instruction across all core subjects. Our computer labs provide students with opportunities to use computer-based programs such as Study Island and Classworks to strengthen instructional programs.☐

☐

By using the technology and research-based instructional strategies, McDonald Green Elementary has allowed the students to be actively engaged in their learning. McDonald Green Elementary continues to use fiction and nonfictional literature, the Arts through differentiated instruction, and out-of-school and in-school field trips, such as gem mining and animal dissection, to increase the school's core curriculum. McDonald Green Elementary was also recognized as an Arts and Basic Curriculum School Site.☐

☐

Our dragonfly team believes in "Putting Children First," and understands that all stakeholders, parents, teachers, students, and the administrative team must continue to work together to achieve academic excellence for all children. Therefore, McDonald Green continues to produce "High Flying Dragonflies" and offers each child the opportunity for a well-rounded elementary experience.☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	91.9
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

McDonald Green Elementary has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
