Report of Principal and School Improvement Council

Over the course of the 2013-2014 school year Eastside Elementary School has remained dedicated in its charge to support all learners and foster continued growth in academic achievement. Eastside Elementary School received the Palmetto Gold Award for student achievement for the 2012-2013 school year. Data driven decision-making, through the utilization of Measures of Academic Progress (MAP) data, Dominie Reading assessments and formative assessments by teachers, have continued to improve our efforts to meet the individual learning needs of our students. Use of various forms of feedback has provided opportunities for deeper understanding of student growth and the incorporation of multiple instructional strategies. Participation and commitment to the SC Teacher Advancement Program (TAP) enhanced teacher instructional strategies and practices across the curriculum from core academics to the arts. Through grant and professional development opportunities, teachers have been able to incorporate Science, Technology, Engineering, and Math (STEM) concepts in their classrooms. Our PE and Special Education teachers participated in several professional development sessions centered on learning through physical activity. Students have also been provided classroom guidance on topics such as community building, friendships, careers and bullying. The school community has also supported and contributed to area and national and local service organizations such as United Ministries, United Way, and the American Cancer Society. Most importantly, Eastside Elementary School has been fortunate to have outstanding support from the parents, PTO, SIC and other community agencies that also believe in achieving excellence, embracing change, and forging new traditions. We are proud of our Eastside family and we are looking forward to a great 2014-2015 school year!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	95.8
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Eastside Elementary School has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
