Report of Principal and School Improvement Council

It has been another stellar school year at Harbison West Elementary. Continuing to provide a world-class education for each child in our school was evident by our students' achievement gains on recent PASS and MAP tests.

Our students continue to excel in many areas. Four students were recognized for their writing accomplishments through the District Five Superintendent's Writing Contest and one of our students was selected as the overall district winner. The second and third grade Escolares students also participated in Continental Math and placed first in the district and state in several categories. One of our fourth grade students won the state economic poster contest for his age group, and several of our students' artwork was recognized at the district level. Also, several students participated in the State Honor Choir and our Trash Can Band was recognized by our local newspaper.

Additionally, our faculty and staff were recognized for their hard work and commitment to excellence. One of our first grade teachers was selected as the CARC Distinguished Reading Teacher of the Year for our school and district, and our social worker was selected as the Support Employee of the Year for our district.

A strong focus on student achievement continues to be our top priority. All teachers continue to implement innovative teaching methods and best practices for instruction with the aid of our strong instructional support team which includes a Response to Intervention (RTI) specialist, math coach and a technology integration specialist. Teachers focus on data analysis to make sound instructional decisions that best support student learning and instruction.

We strive to meet each child's individual needs at Harbison West Elementary School by customizing and designing our curriculum to meet students' specific needs. Students in kindergarten through fifth grade work on their specific literacy skills through small group instruction with the support of intervention teachers and trained paraprofessionals.

Harbison West Elementary School provides leadership opportunities and after-school activities for our students and families. Students can participate in the HWES Morning News Team, Handy Helpers, Safety Patrol, Super Recyclers, Student Council and Beta Club. After-school opportunities include the HWES Cheerleaders, Extra Inning, Trash Can Band, Lego Robotics, Boys on the Run, Girls Run Hard and the Sewing Club.

We promote family involvement through many planned events such as our Super Sunday Back to School Open House, Family Literacy Night, STEM Night, All Pro Dads, Moms Make a Difference and parenting workshops.

Our dedicated and hardworking staff continues to focus on student achievement and success. We ARE Harbison Heroes.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	83.4
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
